TABLE 1	
Summary of the 1996-1997 season	
1. Number of fish caught	1,000
2. Number of fish released	1,000
3. Number of fish kept	1,000
4. Number of fish sold	1,000
5. Number of fish donated	1,000
6. Number of fish lost	1,000
7. Number of fish returned	1,000
8. Number of fish kept in captivity	1,000
9. Number of fish kept in the wild	1,000
10. Number of fish kept in the zoo	1,000
11. Number of fish kept in the aquarium	1,000
12. Number of fish kept in the park	1,000
13. Number of fish kept in the garden	1,000
14. Number of fish kept in the field	1,000
15. Number of fish kept in the forest	1,000
16. Number of fish kept in the mountains	1,000
17. Number of fish kept in the hills	1,000
18. Number of fish kept in the valleys	1,000
19. Number of fish kept in the plains	1,000
20. Number of fish kept in the deserts	1,000
21. Number of fish kept in the tundra	1,000
22. Number of fish kept in the taiga	1,000
23. Number of fish kept in the steppe	1,000
24. Number of fish kept in the prairie	1,000
25. Number of fish kept in the savanna	1,000
26. Number of fish kept in the grassland	1,000
27. Number of fish kept in the woodland	1,000
28. Number of fish kept in the forest	1,000
29. Number of fish kept in the mountains	1,000
30. Number of fish kept in the hills	1,000
31. Number of fish kept in the valleys	1,000
32. Number of fish kept in the plains	1,000
33. Number of fish kept in the deserts	1,000
34. Number of fish kept in the tundra	1,000
35. Number of fish kept in the taiga	1,000
36. Number of fish kept in the steppe	1,000
37. Number of fish kept in the prairie	1,000
38. Number of fish kept in the savanna	1,000
39. Number of fish kept in the grassland	1,000
40. Number of fish kept in the woodland	1,000
41. Number of fish kept in the forest	1,000
42. Number of fish kept in the mountains	1,000
43. Number of fish kept in the hills	1,000
44. Number of fish kept in the valleys	1,000
45. Number of fish kept in the plains	1,000
46. Number of fish kept in the deserts	1,000
47. Number of fish kept in the tundra	1,000
48. Number of fish kept in the taiga	1,000
49. Number of fish kept in the steppe	1,000
50. Number of fish kept in the prairie	1,000
51. Number of fish kept in the savanna	1,000
52. Number of fish kept in the grassland	1,000
53. Number of fish kept in the woodland	1,000
54. Number of fish kept in the forest	1,000
55. Number of fish kept in the mountains	1,000
56. Number of fish kept in the hills	1,000
57. Number of fish kept in the valleys	1,000
58. Number of fish kept in the plains	1,000
59. Number of fish kept in the deserts	1,000
60. Number of fish kept in the tundra	1,000
61. Number of fish kept in the taiga	1,000
62. Number of fish kept in the steppe	1,000
63. Number of fish kept in the prairie	1,000
64. Number of fish kept in the savanna	1,000
65. Number of fish kept in the grassland	1,000
66. Number of fish kept in the woodland	1,000
67. Number of fish kept in the forest	1,000
68. Number of fish kept in the mountains	1,000
69. Number of fish kept in the hills	1,000
70. Number of fish kept in the valleys	1,000
71. Number of fish kept in the plains	1,000
72. Number of fish kept in the deserts	1,000
73. Number of fish kept in the tundra	1,000
74. Number of fish kept in the taiga	1,000
75. Number of fish kept in the steppe	1,000
76. Number of fish kept in the prairie	1,000
77. Number of fish kept in the savanna	1,000
78. Number of fish kept in the grassland	1,000
79. Number of fish kept in the woodland	1,000
80. Number of fish kept in the forest	1,000
81. Number of fish kept in the mountains	1,000
82. Number of fish kept in the hills	1,000
83. Number of fish kept in the valleys	1,000
84. Number of fish kept in the plains	1,000
85. Number of fish kept in the deserts	1,000
86. Number of fish kept in the tundra	1,000
87. Number of fish kept in the taiga	1,000
88. Number of fish kept in the steppe	1,000
89. Number of fish kept in the prairie	1,000
90. Number of fish kept in the savanna	1,000
91. Number of fish kept in the grassland	1,000
92. Number of fish kept in the woodland	1,000
93. Number of fish kept in the forest	1,000
94. Number of fish kept in the mountains	1,000
95. Number of fish kept in the hills	1,000
96. Number of fish kept in the valleys	1,000
97. Number of fish kept in the plains	1,000
98. Number of fish kept in the deserts	1,000
99. Number of fish kept in the tundra	1,000
100. Number of fish kept in the taiga	1,000
